To the Board of Directors of the  
Resource Recovery Fund Board Inc. and Resource Recovery Fund (operating as Divert NS)

## Opinion

We have audited the Statement of Compensation Required Pursuant to the Public Sector Compensation Disclosure Act of Resource Recovery Fund Board Inc. and Resource Recovery Fund (operating as Divert NS) (the "Organization"), for the year ended March 31, 2022, and the associated notes to the statement, including a summary of significant accounting policies (together, the "Statement").

In our opinion, the accompanying Statement for the year ended March 31, 2022 is prepared, in all material respects, based on the financial reporting provisions of the Public Sector Compensation Disclosure Act, 2010, C.43, S.1.

## Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Statement section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statement in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Emphasis of Matter – Basis of Accounting and Restriction of Use

We draw attention to Note 1 to the Statement, which describes the basis of reporting. The Statement is prepared to assist the Organization in meeting the requirements of the Public Sector Compensation Disclosure Act, 2010, C.43, S.1. Our opinion is not modified in respect of this matter.

## Responsibilities of Management and Those Charged with Governance for the Statement

Management is responsible for the preparation of the Statement in accordance with the Public Sector Compensation Disclosure Act, 2010, C.43, S.1, and for such internal control as management determines is necessary to enable the preparation of a Statement that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Statement**

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial statement.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
