

ATTESTATION GUIDE

WHAT?

An attestation is a legally binding document that certifies the accuracy of the information submitted by a producer.

WHO?

Divert NS requires that the attestation be signed by a company's signing officer—an individual authorized to legally bind the company.

WHEN?

An attestation is required each time supply data is submitted or adjusted.

WHERE?

The attestation form is available in the EPR Portal. The Producer must complete the form using DocuSign and download the completed version. The completed version must be uploaded in the EPR Portal.

WHY?

Divert NS requires an attestation to be completed by a producer to confirm supply data is accurate.
