PLEASE ANSWER EACH QUESTION in 250 words or less.

1. Describe the nominee and how they have changed or improved Nova Scotia's environment, specific to reducing waste, recycling, and/or waste diversion?

2. How has the nominee demonstrated ongoing leadership and commitment to the environment through their efforts to reduce waste and/or recycle?

3. What have been the measurable results or impacts of the nominee's environmental efforts? How have they been successful in reducing waste, recycling and waste diversion?

4. Please provide 1-2 examples of how your nominee exemplifies at least one of Divert NS' key pillars:
- Stewardship: building and enhancing Nova Scotia's culture of recycling and refusing to waste.
 - Innovation: finding new ways to reduce waste, recycle or divert materials from landfill
 - Catalyst for Change: leading by example and bringing together environmental change-makers
5. Does the nominee identify as an equity-deserving individual or group, or do they incorporate equity, diversity, inclusion, and/or accessibility (EDIA) within their waste reduction efforts? If so, please describe below.
(Consider how the initiative addresses systemic barriers, includes underrepresented voices, or ensures equitable access to waste reduction, reuse, or recycling opportunities.)
6. Additional comments to support nomination. Considering providing photos, videos, documents and/or testimonials.
