**Deadline for submissions: Sunday, May 10, 2026, by midnight.**

**Winners announced: June 2026**

# SUBMISSION DETAILS

## 1 Summary of Environmental Activities

Submit one of the following:

- A written document (maximum 750 words), OR
- A video or audio recording (maximum 2 minutes)

Describe the ways you have been involved in protecting the environment. Your contributions may be within your school, workplace, personal life, family, or community. Your involvement is not limited to recycling or waste management. For example, you may have participated in your school's environmental club, organized a climate demonstration, promoted energy efficiency, helped your family reduce household waste, or led a community garden or litter clean-up initiative.

*Your submission should explain:*

- The initiatives or organizations you are involved with
- How long you have been involved
- Your specific contributions
- Why this work is meaningful to you

*If submitting a video or audio recording:*

- You may record using a smartphone or computer — professional equipment is not required
- Keep the length under 2 minutes
- Ensure your voice is clear and easy to hear
- Upload your file (MP4, MOV, MP3, or WAV) or paste a link (YouTube or Vimeo accepted)

## 2 Letter of Reference

Provide a signed letter of reference from a member of your school or community who can speak to your environmental involvement and impact. This may include a teacher, mentor, supervisor, volunteer coordinator, coach, community leader, or another individual who is directly familiar with your environmental activities and contributions.

*Letter of Reference Requirements:*

- Must be signed
- Preferably on letterhead
- Cannot be written by a relative
- Maximum 500 words
- Submit as a PDF or Word document

## SUBMISSION DETAILS

### 3 Research Essay for 2026

Submit a written research essay addressing the 2026 topic:

*Litter is an ongoing problem throughout Nova Scotia. Research litter clean-up and prevention programs implemented in Nova Scotia and/or other jurisdictions around the world. What successes and challenges have there been? Is litter a problem at your school or in your community? Based on your research, outline a litter prevention program that could be implemented in your community or across Nova Scotia.*

*Essay Requirements:*

- Maximum 1,500 words (not including references)
- Must include research with sources cited in APA, MLA, or Chicago style
- Only one author per essay
- Submit as a PDF or Word document

### 4 Contact Form and Application Submission

Submit your completed application:

- Online at [divertns.ca/scholarship-form](https://divertns.ca/scholarship-form)  
OR
- By emailing your application form (page 6 of the Scholarship Package) and all required documents to [scholarship@divertns.ca](mailto:scholarship@divertns.ca)

For full application details, judging criteria, and official rules, download the complete Scholarship Package (PDF).

If there are any parts of the application that require more clarity or if you're having trouble accessing or interpreting any of the requirements, please reach out to [scholarship@divertns.ca](mailto:scholarship@divertns.ca).

### A note on diversity and inclusion

We believe in the power of diversity and inclusion to better our environment. Diversity drives more innovative and creative thinking, and different perspectives make our environmental protection community stronger and more impactful. We encourage all applicants, regardless of gender identity or expression, sexual orientation, colour, sex, race, age, disability, religion, national or ethnic origin, citizenship, or family/marital status to apply.

# JUDGING

Divert NS will assemble a judging committee of both internal staff and external partners to review submissions. The scoring will be based on your written essay (40%) and environmental dedication (60%).

## Research Essay (40 %)

- Creativity and effort
- Accuracy of research and citations
- Organization and clarity of ideas
- Grammar, spelling, and syntax

## Environmental Dedication (60 %)

- Description of activity, including impact on the environment
- Level of involvement/impact
- Letter of reference
- Duration of involvement

# OFFICIAL RULES

- This scholarship competition is open to Grade 12 students in Nova Scotia.
- Entries must be submitted before the closing date of midnight on Sunday, May 10, 2026.
- Immediate family of, or those domiciled with the following individuals are not eligible to receive a scholarship:
  - Current and former employees and board members of Divert NS.
  - Employees of the Nova Scotia Environment and Climate Change Solid Waste Resource Management Section.
  - Employees of regional and municipal waste management authorities.
- Scholarships will be awarded only if submissions merit a scholarship. All decisions of Divert NS and the scholarship judging committee are final.
- Scholarships are issued directly to post-secondary institutions on behalf of the winning students.
- All entries become the property of Divert NS once they are submitted and may be used for publicity, promotion, marketing, illustration, advertising, web content, and all multi-media materials.
- By accepting a scholarship, the winner authorizes Divert NS to use, in any related publicity, the winner's name, city and province of residence, and any statements he/she/they may make regarding such scholarship for advertising and promotional purposes in any form of media, including the Internet.
- Incomplete submissions and submissions with falsified information will be disqualified. The decision to disqualify any submission is at the sole discretion of Divert NS and will occur without notice or communication to the entrant. The disqualification decision is final and not subject to review.

Divert NS is a not-for-profit corporation working in partnership with government, industry, academia, and Nova Scotians to improve the province's environment and economy through resource recovery and waste diversion. Divert NS builds a culture of recycling through environmental stewardship, regulatory oversight, funding, and education, helping to make Nova Scotia a recognized innovator in waste diversion solutions.

## CONTACT FORM
