PLEASE ANSWER EACH QUESTION in 250 words or less.

1. Describe the business being nominated. How is the business reducing waste and recycling as a regular part of doing business?

2. How are the business's waste reduction and recycling activities unique, or how do they go above and beyond?

3. What are the results of the business's efforts to reduce waste and recycle? Consider providing statistics or measures of success.

4. Please provide 1-2 examples of how your nominee exemplifies at least one of Divert NS' key pillars:
 - Stewardship: building and enhancing Nova Scotia's culture of recycling and refusing to waste.
 - Innovation: finding new ways to reduce waste, recycle or divert materials from landfill
 - Catalyst for Change: leading by example and bringing together environmental change-makers

5. Does this business demonstrate a commitment to equity, diversity, inclusion, and/or accessibility (EDIA)? If so, please describe how this is reflected in their leadership, workplace culture, community engagement, or business practices. *(Examples may include hiring practices, partnerships, service delivery, or initiatives that support equity-deserving groups.)*

6. Additional comments to support nomination. Considering providing photos, videos, documents and/or testimonials.
