

Mobius Awards of Environmental Excellence 2024

INNOVATOR OF THE YEAR

The Innovator of the Year Mobius Award is awarded to an individual or organization that has developed and/or implemented a product or service from material that otherwise would go to landfill, or has developed a more efficient approach for an existing process to reduce waste, recycle and/or divert waste.

The nominee must consent to the nomination. Please read the rules on <https://divertns.ca/mobius-awards> carefully before submitting a nomination.

PLEASE ANSWER EACH QUESTION in 250 words or less.

1. Describe the nominee and their innovative approach to waste reduction.

2. How is the product, service, or approach innovative, and how does (or will) it help reduce waste and/or divert waste from landfill?

3. What measurable reduction or diversion results have been achieved, or are expected to be achieved, by this product, service or approach? Provide statistics or measures of success.

4. Please provide 2-3 examples of how your nominee exemplifies at least one of Divert NS' key pillars:
 - Stewardship: building and enhancing Nova Scotia's culture of recycling and refusing to waste.
 - Innovation: finding new ways to reduce waste, recycle or divert materials from landfill
 - Catalyst for Change: leading by example and bringing together environmental change-makers

5. Additional comments to support nomination. Considering providing photos, videos, documents and/or testimonials.
