

Mobius Awards of Environmental Excellence 2024

INSTITUTION OF THE YEAR

The Institution of the Year Mobius Award is awarded to a public or private sector institution (for example: hospital, university, college, school, long-term care/nursing home facility, etc.) that goes above and beyond to reduce waste and/or implement recycling and waste diversion strategies on a daily basis.

The nominee must consent to the nomination. Please read the rules on <https://divertns.ca/mobius-awards> carefully before submitting a nomination.

Nominee

Name of Institution: _____

Contact name: _____ Email: _____

Address: _____

Phone: _____

Nominator

Name and organization/affiliation: _____

Address: _____

Phone: _____ Email: _____

PLEASE ANSWER EACH QUESTION in 250 words or less.

1. Please provide an overview the institution being nominated. What is the institution doing to reduce waste, recycle and/or divert waste on a daily basis?

2. How are the institution's waste reduction and recycling activities unique, or how do they go above and beyond?

3. What are the results of the institution's efforts to reduce waste and recycle? Consider providing statistics or measures of success.
