## Two Friends Recycle at School

\_\_\_\_\_ and \_\_\_\_\_ were eating lunch together one \_\_\_\_\_ at \_\_\_\_\_.

The two friends ate \_\_\_\_\_ and \_\_\_\_\_. \_\_\_\_\_ had his/her lunch wrapped in \_\_\_\_\_ and threw it in the garbage can when he/she was finished.

\_\_\_\_\_ said "hey, don't you know that plastic is recyclable?" and then pointed to the recycling bin. \_\_\_\_\_ said "thanks for letting me know, but why should I recycle? Why not just \_\_\_\_\_ garbage onto the ground?"

\_\_\_\_\_ then explained "when you recycle, you stop garbage from \_\_\_\_\_ into the landfill where it becomes a big environmental problem. Instead, recycle your plastic item could be recycled into a \_\_\_\_\_.

The two friends then looked around the classroom for other things to recycle. They found a \_\_\_\_\_, a \_\_\_\_\_ and a \_\_\_\_\_. Together, they took turns \_\_\_\_\_ the waste items into the recycling bins. They then said "recycling is a lot of \_\_\_\_\_"!
